Pet Behavior Solutions Background

Pet Behavior Solutions is a full-service pet behavior practice providing help to pet owners and shelter or rescue organizations. Our expertise extends to all forms of canine and feline behavior and training issues. In addition to providing services to the public sector, we also offer many of our services to Arizona animal control, animal shelter, and rescue personnel.

Services Provided

- Behavior modification and counseling for all levels of pet behavior problems.
- Expert in temperament disorders including aggression, anxieties, compulsive behaviors, etc.
- All levels of training from puppy socialization to advanced obedience including animal assisted therapy preparation.
- Behavior assessments for animal control and animal shelter and rescue agencies.
- Train animal control officers in defensive handling and understanding of dog and cat behavior.
- Train shelter staff in temperament assessments, adoption counseling, animal handling, treatment protocols, and shelter enrichment.
- Day care/day school with an emphasis on manners and enrichment provided through our EduCare for DogsTM program.
- Pet grief counseling.
- Dog day care staff training.
